

CEDARVIEW RD.

**SAFE PICK UP AND DROP OFF FOR CEDARVIEW MS STUDENTS**

To ensure the safety of our students and to relieve the congestion in the parking lot, please navigate the parking lot in accordance with the diagram at left.

Please note that the area beside the grass parallel with Cedarview Road is a fire lane and **NO STOPPING OR PARKING IS PERMITTED AT ANY TIME.**

There is also no parking against the fence which runs parallel with the Cedarview Middle School building.

When you enter the parking lot, please choose one of the many parking spaces available. **PLEASE DO NOT DROP YOUR STUDENT AT EITHER OF THE GATES.** Stopping your vehicle at this location interrupts traffic flow and presents a serious visibility issue for the students.

We are fortunate to have use of the parking lot and there is plenty of space for everyone. Once you've chosen your parking spot, please respect the environment and turn off your ignition while you wait for your child.

We thank you for your cooperation and look forward to a safer pick up and drop off arrangement for everyone.
